

# FREQUENTLY ASKED QUESTIONS

## CAPTAIN'S CAREER COURSE RESERVE COMPONENT

- 1) **MY report date is a Friday? When do we actually start classes?**  
SEE guidance on reporting procedures flier and below timeline.

### Example Timeline

- 2) **WHEN DOES THE COURSE ACTUALLY START?**

0700 on Saturday. Classes go all day to include Sunday (Time allowed for church services)

- 3) **WHEN DOES THE COURSE END? WHEN SHOULD I SCHEDULE FLIGHTS OUT?**

Graduation ceremonies are scheduled for 1000 the last Friday of the course (Phase 5 only). You will receive all out processing documents immediately after graduation and are cleared for departure. Plan on being available to leave Fort Leonard Wood NET 1200, just to be safe. Driving distances to the airports are as follows: Forney Field (On Post) 5 minutes, Springfield 90 minutes, St. Louis 130-140 minutes.

- 4) **MY UNIT WON'T AUTHORIZE A RENTAL CAR. WHAT DO I DO?**

1st go to the ATRRS screen from my web site under your course dates. Scroll down through the instructions until you reach number four which starts by saying, "POV or rental car should be authorized." 2nd Tell you orders issuing authority that classes are not within walking distance from your billeting. You can expect to drive between 5-10 miles from your billets to get to class. 3rd There is no dining facility collocated with billeting so you will again need a car to eat meals. If all else fails, have the orders issuing authority call the C CO CDR at 573-596-0800.

- 5) **WHAT SHOULD I DO FOR TRANSPORTATION?**

First Read the Airports flier on the company web site. If possible, schedule a rental car and all flights through Forney Field. Those students who have a drive in excess of 8 hours should fly to FLW or have your unit authorize additional travel days. In most cases, a student's orders end the same day as graduation giving them a half-day to drive back home. Students should not be forced to drive excess distances just because their unit wouldn't authorize additional travel days or authorize airline tickets and a rental car. You will have to register your rental car at the front gate for a vehicle pass while at Fort Leonard Wood.
